I hope all of your classes and clinicals are going well Juniors and Seniors. It is hard to believe that we are already 8 weeks into this semester, but congratulations to everyone for completing their first 8 weeks of Fall 2007.

In this edition there are a few things that may be of help to you as you start looking for employment opportunities during the Summer of 2008, or the start of a career for all of the Seniors. Turn to the next page for more details.

Our 1<sup>st</sup> Vice President, Sarah Katkhouda, has been in touch with the Career Counselor of GMU, Charlotte Strauss, to help Juniors and Seniors write their resumes.

As it may seem like a long time before Junior Student Nurses will be looking for a career, there are plenty of opportunities during the summer to become an Extern at Inova Hospitals and other hospitals within the area for 7 to 13 weeks of clinical experience. One of the requirements is an updated, accurate, and business appropriate resume.

Other options and information for employment will take place at the Nursing Career Fair, discussed on the next page.
