\* Designated nursing prerequisites: must obtain C or better in each with an overall prerequisite GPA of 3.0.

- Mason Core and nursing prerequisite courses are offered fall, spring, and summer unless otherwise noted. F = Fall, S = Spring, # = Summer.
- All nursing pre-requisites, Mason core courses, and electives must be complete by the end of the spring semester prior to the start of the program.
- The Mason Core Quantitative Reasoning requirement may be met with STAT 250 or direct equivalent; otherwise required.
- The three science pre-requisites (A&P I and II, Micro) *cannot* be more than five years old for pre-licensure applicants, and two out of the three *must* be complete at the time of application.
- Once accepted into the nursing program, students must earn a C+ or better in each nursing course.

The information above has been discussed, and I understand that it is my responsibility to register for the correct courses based on the catalog term for which I applied.
